Festival of Balloons – Gumball Machine Sculpture

Marvel at larger-than-life sculptures made from thousands of balloons—like this working, 19-foot-tall gumball machine—at the Festival of Balloons! Created by Bill McFaddin, CBA, of Balloon Builders in Orlando, FL, and Troy Apprill, CBA, of Balloonville Productions St. Louis, MO, it included more than 2,000 balloons. Festival of Balloons - Train Sculpture

Make tracks to the 2010 Festival of Balloons where you'll see intricate balloon sculptures beyond your wildest imagination, like this colorful train designed by Niko Fric, CBA, & Michael Mueller, CBA, of Magic d.o.o. in Sevnica, Slovenija. Photo courtesy of Pioneer® Balloon Company.

Festival of Balloons – Clown Sculpture

Experience amazing balloon art—like this jolly clown created by Barbara Levinson, CBA, of Barbara's Balloons in Northbrook, IL—at the Festival of Balloons. Made mostly of long, skinny balloons, he stood 19 feet tall and “juggled” huge, 3-foot balloons! Photo courtesy of Pioneer® Balloon Company.

Festival of Balloons – Tree Sculpture

Discover extraordinary sculptures, like this awe-inspiring tree, brought to life at the Festival of Balloons. Showing amazing attention to detail, Alberto Falcone, CBA, of Balloon Lab in Budapest, Hungary, even added cute “porcupines” frolicking in the balloon “grass” underneath the tree. Festival of Balloons – Monster Truck Sculpture

Rev up your engine and get to the Festival of Balloons, where you'll see spectacular sculptures like this massive monster truck! Created by Colin Myles, CBA, and David Grist, CBA, of Party Time in Dundee, Scotland, it featured such details as door handles, windshield wipers, and a suspension system.
